Single Stream Recycling Education Letter

(Oshkosh, WI.) The city of Oshkosh Department of Public Works Sanitation Division is sending out a Single Stream Recycling (SSR) informational letter to Oshkosh residents on Friday June 19th. The letter contains information on the SSR program, frequently asked questions, and a cart size return form.

Oshkosh residents have the opportunity to choose between a 64 gallon cart and 96 gallon cart for their recycling needs. If an individual would like the 96 gallon cart they do not need to respond to the letter. If an individual would like the 64 gallon cart they need to respond to the letter by July 6, 2009. The recycling carts will be dropped off at residences prior to the start of the SSR program.

A copy of the informational letter and supplemental information on the SSR program can be found on the city's website, www.ci.oshkosh.wi.us, by clicking on the Single Stream Recycling link. The city of Oshkosh will implement the Single Stream Recycling program this fall.

For more information on the SSR program contact Sanitation Supervisor Jim Hintz at (920) 232-5383.
